

Thank you to our 2018 Survey community!

We are grateful to the 3,369 nonprofit leaders who took the time to share their stories, challenges, and successes in our 2018 State of the Nonprofit Sector Survey. In addition to the survey participants are the hundreds of partners, funders, and supporters who stand behind the survey along with NFF. Below is a list of organizations that joined in this community-organizing effort and helped promote this year's survey among their networks. Our deepest thanks go to them.

A special thanks to:
